MEMORANDUM FOR MILITARY/INDUSTRY DISTRIBUTION

SUBJECT: Initial Draft of Notice of Withdrawal for Non-government Standard EIA738; Project Number 59GP-0190

The initial draft of the subject document is now available for viewing and downloading from the DSCC-VA web site:

<http://www.dsccl.dla.mil/Programs/MilSpec/initialdrafts.asp>

A review of this Non-Government Standard and its reference documents has determined that we no longer have an interest in it.

Concurrence or comments are required at this Center no later than 60 days from the date of this letter. Comments from military departments must be identified as either "Essential" or "Suggested". Essential comments must be justified with supporting data. Military review activities should forward comments to their custodians or this office, as applicable, in sufficient time to allow for consolidating the department reply.

Please forward your comments or concurrence electronically to the project engineer listed below. This can be in the form of a return e-mail, with or without an attached text file. If an electronic response is not possible, we will accept comments via letter, facsimile, or phone call but only after you have contacted the project officer. Any further coordination concerning these documents will be circulated only to firms and organizations that furnish comments or reply that they have an interest.

The point of contact for this document is Mr. Fred W. Lester, DSCC-VAT. The preferred method of contact is via e-mail: fred.lester@dsccl.dla.mil. Mr. Lester can also be reached at 614-692-0548/DSN 850-0548, or by facsimile 614-692-6939/DSN 850-6939.
